Please read the following important information.

Top priority is given to show homes. In the event that a puppy has show potential, that puppy can be placed in a show home.

Suitable homes for ALL puppies are chosen by Amy Bieri. Puppies will be placed based on personality and temperament and what will be compatible for your family.

When placing puppies, sex and color preferences will be kept in mind.

If it is decided that, for any reason, you will not make a suitable Boxer owner, we reserve the right to return your deposit and cancel the sale of the puppy.

Prices are to be discussed over the phone. We do not quote prices over the internet.

All pet puppies are placed on spay/neuter contracts and AKC registration is limited. Puppies are microchipped (included in the purchase price). We give a limited twenty-four month health guarantee with some alteration that will be discussed during the interview process.

Deposits are non-refundable.

A deposit of \$100.00 can be made to secure a spot on our waiting list before a litter arrives. If a puppy that fits your preferences is born in one of our litters and you choose to purchase a puppy

elsewhere, your money will not be refunded. If no puppies are born that fit your preferences, you are given the option to switch to another waiting list or your deposit can be refunded.

Deposits once puppies have been born are non-refundable no matter the circumstances. These deposits will be taken after the litter is 2 weeks old. A deposit costing half of the total sale price will be required to hold a puppy.
